

The Flash Harrys **PRESSKIT**

THE
FLASH
HARRY'S

Are suprisingly energetic for a bunch of sweaty lard-asses from Wellington, New Zealand playing everything from Gutter**punk** to Spunk**rock**.

They've been compared to a 999 pound bucket of **curdled cream** nestled inside Mr. Whippy's **Triple-XL cumsock**.

**They're heavy... they're x-rated...
they're the Beef in your
Hankerchief!**
